When all else fails, read the original instructions! With so much falling apart all around us today, we need to read our original instructions - the United States Constitution.

Constitution Classroom, hosted by Colonel John Eidsmoe, is a weekly program that teaches the Constitution in plain language everyone can understand.

Constitution Classroom explores the Constitution Article by Article, Section by Section, the history and background behind each provision, and cases that have interpreted those provisions. Colonel Eidsmoe frequently discusses current constitutional cases and issues in today's fast-paced, changing world.
