Karyn Lynn Grant, "The Singing Storyteller," has a passion for sharing stories about extraordinary women in the Bible. As a young mother, Karyn would awaken in the night to calm and quiet her babies and then turn to her scriptures, where stories about ancient women flowed like "living water" in steady streams of song, through her pen onto paper.

Night after night, year after year, songs about women in the scriptures continued pouring into her heart, renewing her courage, faith, hope and optimism for the future.

Now, years later, in her new show and podcast, "The Stories She Sings," Karyn is "encouraging women in faith" as she recounts the pearls she has discovered in scripture verse. She tenderly shares her insights about each ordinary woman whose life became an extraordinary example for modern day women, through the gift of storytelling and songwriting.

Karyn is delighted to share her faith in the Savior and her love for the women who followed Him anciently. Her hope is that the faith of women around the world will be renewed and rejuvenated as each one faces her own private battles in this present day.
